

Bakery packaging is an ideal way to box and display your freshly baked items. We provide the most popular shapes and sizes for common bakery offerings, making it easy for you to find the right package for your product. If you are looking to replace a current plastic container, our windowed boxes can provide the visibility to see the product while stacking nicely on the shelf. Our white and kraft paperboard can also convey the right message and brand image, from a clean look to a more natural feel.

Our boxes combine quality with functionality, providing a positive packaging experience for bakery employees and shoppers.

### Sustainability

- Fiber used meets the Sustainable Forestry Initiative® (SFI®) Certified Sourcing standards, ensuring that it comes from responsibly managed sources
- Kraft cartons meet the requirements of the Recycled Paperboard Alliance 100% (RPA100)
- Window boxes are made from over 85% fiber, allowing you to reduce your plastic usage

### Operational Efficiency

- Ships flat to minimize storage space
- Easily pops open for efficient filling
- Stackable on a shelf for a clean, organized appearance
- Made in the USA, allowing for supply chain security and efficiency

### Consumer Experience

- Provides an attractive, high-end presentation of your baked goods
- Durable structure holds up when carrying from shelf to your destination
- Features, such as locks for security and larger windows for product identification, can be added to the package to help consumers with product identification and integrity
